## **Hammer Heads Application & Interview Process**

In an effort to properly prepare your applicants, we have compiled the following list of what we expect from referring agencies and applicants and what applicants can expect if they are contacted for an interview. This list of guidelines was created to provide you with more detailed information pertaining to how to screen potential referrals and how to best prepare those referrals for the application and interview process.

This process is taken very seriously and requires that referring agencies screen potential candidates strenuously to determine their fit and compatibility for our unique program. In addition to training participants and providing employment opportunities within the skilled construction trades, the Hammer Heads Program is a twelve week “boot camp” which prepares participants for the stress and rigors they will face on a construction jobsite.

The process begins at the referral level. Referring agencies must consider the resulting employment potential and job-readiness of their referral for a career within the construction industry, which is the ultimate goal of the program. Our program is highly competitive with only fifteen candidates selected per intake. It is imperative that applicants understand this process so please ensure you go over this list in detail with your referral.

### **APPLICATION & INTERVIEW PROCESS:**

- 1) ***Hammer Heads is NOT a link to a specific trade and we will not accept applicants that are only interested in a specific trade.***
- 2) Our application process and criteria will be strictly adhered to with no exceptions. Applicants must be aged 18 – 26 and reside in a priority or under-resourced neighbourhood in the Greater Toronto Area.
- 3) If a candidate has already applied twice and has not been selected, a letter from the **APPLICANT** must accompany the third application outlining the significant changes the applicant has made since the previous application.
- 4) Only complete applications will be considered for an interview. Complete applications must include:
  - Application Form
    - The **information portion** of the form is divided into two sections: one for the applicant and one for the job coach/referring agency. Each section must be filled out in its entirety.
    - The **question portion** of the form must be filled out legibly by the applicant in the applicant’s own handwriting
  - Resume
    - Resume should be current and include work history.
  - High School Transcript
    - In order to meet the minimum eligibility requirements, candidates must have completed and passed each of the following three Grade 10 Ontario courses: English, Math and Science.
    - Only official Ontario high school transcripts or Ontario GED’s will be accepted. Credit Counseling Summaries will not be accepted.
  - Signed Hammer Heads Application & Interview Process Form

Group 35

- Signed Applicant Consent Form
- At the time of submission, applications missing any of the above components will not be accepted. If all documentation is not in order, applications will be rejected. **There will be no exceptions.**

- 5) Candidates who are eligible for an interview will be contacted **via e-mail** with all interview date, time and location information.
- 6) Candidates **cannot be late** for their interview. Late arrivals will be turned away at the door and will **not** be interviewed. There will be no exceptions.
- 7) Candidates must dress and conduct themselves in a professional manner at all times.
- 8) This interview will be conducted by a panel comprised of Hammer Heads staff and, when possible, a representative of our Youth Advisory Committee.
- 9) The candidate's photograph will be taken. This photograph is used strictly for interview purposes, making it easier for the panel to ensure their notes match the correct candidate.
- 10) At the end of the interview, the candidate will be advised that Hammer Heads' staff will be in contact **via e-mail** to inform them of one of the following possible outcomes:
  - The candidate is required for another panel interview
  - The candidate has been selected to participate in the program
  - The candidate has not been selected to participate in the program

**Please be advised that participants will not be paid any stipend while enrolled in the Hammer Heads Program. They will receive everything they need to take part in the program at no cost to them, however, any financial obligations they may have outside of the program are their responsibility.**

This is now a part of the application and needs to be clearly explained to all referrals. Each of these guidelines will be strictly enforced. Failure to meet with the above criteria will automatically preclude applicants from being considered for the program. It is also imperative that we have current contact information for all referring Youth Workers to ensure we can communicate with you in a timely manner, if necessary.
